            It is rightly said that being disciplined is essential in
life. When a person leads a disciplined life, they set an easy path to
success. They will develop an approach to happiness and a beautiful
future ahead. Being disciplined is the practice of having a scheduled
daily routine which helps an individual to be punctual and
hard-working. An individual is taught what being disciplined means from
the time they are young. Even though discipline takes a lot of effort,
the advantages of a disciplined life make it a worthwhile endeavour.
